doesn't matter as he will charge them all the same, provided he is called on Discouraging View of the Situation to pay for the water which he has not

Putting the new bell into the west side Catholic church tower scared away a large flock of doves. They have gone over and taken possession of the new spires upon the court house. This is typical, for justice means peace.

corner stone will be laid with appropriate ceremonies.

N. L. Rosenthal & Sons, the Railroad avenue merchants, are among the most active and enterprising merchants of our city. They are daily receiving a large line of goods in all departments, which they purchased directly in the east.

THE GAZETTE office is now undoubt- days. edly one of the nestest and cleanest be second to none, if not first to all, Call and get prices on job work.

At Pierce's ranch, some twenty-five in the house like it had been an eggshell. L. W. Fly was there at the time, and brought the news back to

School begins Monday again on Douglas avenue at the public school building. For a couple of weeks the school has been suspended because of work. Apply at the residence of the cases of small pox across the street. The opening of the school shows that all fears of contagion have passed.

> There is a perfect blockade of freight on the Atlantic & Pacific. Should they not receive any addition to the present supply, they would not be able to move it for six weeks. At least so says an engineer of the Santa Fe who runs regularly to Albnquerque.

General Fred Walsen, ex-treasurer of Colorado, and family, with a party heir way to Old Mexico. On their jor and above all price are our waterwith Charles Tamme, to whose family General Walsen is related.

It is said that broom corn can be raised at a cost not to exceed five dollars per ton, and that it readily brings seventy-five dollars per ton baled and ready for market. There is a chance for some one to make a million. We don't want it. Raising broom corn is the business that sweeps the world.

Mr. Hommel, of the Chronicle, contemplates starting a four column daily paper. It will be published in a small family. Apply at this office be run as a campaign sheet, though, me a permanent institution. new sheet will fill the --

It is astonishing how the value of a lost article grows in the estimation stances in the case. Billy Rawlins. Dick DeCoursey will of the late owner. A party the other day stole a gripsack from the train. It belonged to a drummer, who at once put in a claim for it and an itemized account of its contents and their value. A few days ago the sack was found and the difference between the real value of the things and their estimated value by the owner was truly astonishing to see.

The pomposity of some of the merchants of Las Vegas is very painful to the sensitive organization of the well-bred American. They give us paths. Men who advertise we said before, they are painfully excruciating.

The Southern Bivouac, a periodical published in Louisville, Ry., and devoted to matters pertaining especially ing account of the Skipwith family, a member of which settled in Vittraces the genealogy of the family through all historic times, and shows that the members of this race, of whom our Doctor Skipwith is one,

On the evening of the 29th ult, Mrs. M. A. Otero and her daughter, Miss Mamie, were given a farewell Vegas. To the great regret of a large their permanent abode in Denver. Mrs. Otero is the wife of Don Miguel A. Once more the hydrants flow with Otero, who three times served as delegate to congress from this territory, was senior member of the firm of Otero.

## FLOODS ON THE PECOS.

EDITOR GAZETTE:-Verily it is a year of Fridays! The finishing touches were given to our ill-luck last week by the floods in the Pecos

river. Not only were our fields flooded crops destroyed, and lands taken away by the acre, but our dam is gone and still that is not the worst. Cattle by the hundreds are mired or washed The work upon the new Episcopal away. Men are patrolling the river church is progressing favorably. Al- on both sides with shovels ready the sleepers have been laid, and ropes, digging and pulling out and the walls are rising. Just as cattle that are still alive. But it is soon as the bishop returns, the usually too late, for if the animal does not drown. It chills to death in a short time. Usually in times of floods we have rains here, and consequently plenty of water in the tanks arroyos, so that the cattle do not water in the river, and even when they do, they have strength to get through the mire. Probably five per cent of all the cattle watering a'ong the river have perished within seven

Nor does this "Black Friday,' fall in New Mexico. From henceforth on the cattleman alone. The the work turned out at this place will sheep, of which there are many, thousands in this vicinity, after passturned out in any office in the west. ing through a severe winter, have been called to rest by hundreds, by the cold damp winds of spring. There miles from the city, during the last will not be sufficient lambs raised this storm the snow fell to a depth of year to replace the losses of the past three feet upon the level. It crushed few months. However, parties who clipped and omitted to shear in the fall do not complain. Scab grows worse on the native sheep, and two more years like the last will about clean up the business.

It is said that nature odapts herself to the fitted condition of things. It may be nature's way of preventing the country from being overstocked.

It certainly is a gloomy time for all parties. However, we are not entirely discouraged, as we have begun the building of a ditch to tap the Agua Negra, a small but permanent stream that flows into the Pecos about a mile above our destroyed dam.

We have heard so much bridge racket, that we begin to think we terday supplied with goods. need one at this place.

water for the Thirsty. Last night the supply of water was city. finally turned on, to the great gratification of our people. As blessings of state officials came in on the train are not appreciated till lost, so many from the east last night. They are on people do not realize how very superreturn they will stop for a few days works, till some accident like the one from which we have just been suffering, deprives us of our blessing. Of

course there have been kickers. A drunken man attempting to cross a foot bridge at night, during a storm, was very much annoyed by the inconstancy of the lightning. Finally losing all patience, he exclaimed, "Took here." if I are the exclaimed, all these services. "Look here! if I pretended to hold a light for a fellow, I'd hold it." Some persons have talked as though the company should have furnished us water no matter what storms, wrecks and washouts nature sent upon us.
